6 SECTION 6. IC 6-3.5-1.1-26, AS ADDED BY P.L.224-2007,
 7 SECTION 68, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 8 JANUARY 1, 2009]: Sec. 26. (a) A county council may impose a tax
 9 rate under this section to provide property tax relief to political
 10 subdivisions in the county. A county council is not required to impose
 11 any other tax before imposing a tax rate under this section.

12 (b) A tax rate under this section may be imposed in increments of
 13 five hundredths of one percent (0.05%) determined by the county
 14 council. A tax rate under this section may not exceed one percent (1%).

15 (c) A tax rate under this section is in addition to any other tax rates
 16 imposed under this chapter and does not affect the purposes for which
 17 other tax revenue under this chapter may be used.

18 (d) If a county council adopts an ordinance to impose or increase a
 19 tax rate under this section, the county auditor shall send a certified
 20 copy of the ordinance to the department and the department of local
 21 government finance by certified mail.

22 (e) A tax rate under this section may be imposed, increased,
 23 decreased, or rescinded by a county council at the same time and in the
 24 same manner that the county council may impose or increase a tax rate
 25 under section 24 of this chapter.

26 (f) Tax revenue attributable to a tax rate under this section may be
 27 used for any combination of the following purposes, as specified by
 28 ordinance of the county council:

29 (1) The tax revenue may be used to provide local property tax
 30 replacement credits at a uniform rate to all taxpayers in the
 31 county. Any tax revenue that is attributable to the tax rate under
 32 this section and that is used to provide local property tax
 33 replacement credits under this subdivision shall be distributed to
 34 civil taxing units and school corporations in the county in the
 35 same manner that certified distributions are allocated as property
 36 tax replacement credits under section 12 of this chapter. The
 37 department of local government finance shall provide each county
 38 auditor with the amount of property tax replacement credits that
 39 each civil taxing unit and school corporation in the auditor's
 40 county is entitled to receive under this subdivision. The county
 41 auditor shall then certify to each civil taxing unit and school
 42 corporation the amount of property tax replacement credits the

C

civil taxing unit or school corporation is entitled to receive under this subdivision during that calendar year.

(2) The tax revenue may be used to uniformly increase the homestead credit percentage in the county. The additional homestead credits shall be treated for all purposes as property tax levies. The additional homestead credits do not reduce the basis for determining the state homestead credit under IC 6-1.1-20.9. The additional homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1. The department of local government finance shall determine the additional homestead credit percentage for a particular year based on the amount of tax revenue that will be used under this subdivision to provide additional homestead credits in that year.

(3) The tax revenue may be used to provide local property tax replacement credits at a uniform rate for all qualified residential property ~~(as defined in IC 6-1.1-20.6-4)~~ in the county. Any tax revenue that is attributable to the tax rate under this section and that is used to provide local property tax replacement credits under this subdivision shall be distributed to civil taxing units and school corporations in the county in the same manner that certified distributions are allocated as property tax replacement credits under section 12 of this chapter. The department of local government finance shall provide each county auditor with the amount of property tax replacement credits that each civil taxing unit and school corporation in the auditor's county is entitled to receive under this subdivision. The county auditor shall then certify to each civil taxing unit and school corporation the amount of property tax replacement credits the civil taxing unit or school corporation is entitled to receive under this subdivision during that calendar year.

(g) The tax rate under this section and the tax revenue attributable to the tax rate under this section shall not be considered for purposes of computing:

(1) the maximum income tax rate that may be imposed in a county under section 2 of this chapter or any other provision of this chapter;

(2) the maximum permissible property tax levy under STEP EIGHT of IC 6-1.1-18.5-3(b); or

(3) the total county tax levy under IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), or IC 6-1.1-21-2(g)(5).

(h) Tax revenue under this section shall be treated as a part of the receiving civil taxing unit's or school corporation's property tax levy for that year for purposes of fixing the budget of the civil taxing unit or school corporation and for determining the distribution of taxes that are distributed on the basis of property tax levies.

(i) The department of local government finance and the department of state revenue may take any actions necessary to carry out the purposes of this section.

SECTION 7. IC 6-3.5-6-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009]: Sec. 1. As used in this chapter:

"County income tax council" means a council established by section 2 of this chapter.

"County taxpayer", as it relates to a particular county, means any individual:

(1) who resides in that county on the date specified in section 20 of this chapter; or

"School corporation" has the same definition that the term is given in IC 6-1.1-1-16.

SECTION 8. IC 6-3.5-6-32, AS ADDED BY P.L.224-2007, SECTION 85, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009]: Sec. 32. (a) A county income tax council may impose a tax rate under this section to provide property tax relief to political subdivisions in the county. A county income tax council is not required to impose any other tax before imposing a tax rate under this section.

(b) A tax rate under this section may be imposed in increments of five hundredths of one percent (0.05%) determined by the county income tax council. A tax rate under this section may not exceed one percent (1%).

(c) A tax rate under this section is in addition to any other tax rates imposed under this chapter and does not affect the purposes for which other tax revenue under this chapter may be used.

(d) If a county income tax council adopts an ordinance to impose or increase a tax rate under this section, the county auditor shall send a certified copy of the ordinance to the department and the department of local government finance by certified mail.

(e) A tax rate under this section may be imposed, increased, decreased, or rescinded at the same time and in the same manner that the county income tax council may impose or increase a tax rate under section 30 of this chapter.

1 school corporations in the county. The amount of property tax
 2 replacement credits that each civil taxing unit and school
 3 corporation in a county is entitled to receive under this
 4 subdivision during a calendar year equals the product of:

5 (A) the tax revenue attributable to a tax rate under this section
 6 that is dedicated to property tax replacement credits under this
 7 subdivision; multiplied by

8 (B) the following fraction:

9 (i) The numerator of the fraction equals the total property
 10 taxes being collected in the county by the civil taxing unit or
 11 school corporation during the calendar year of the
 12 distribution.

13 (ii) The denominator of the fraction equals the sum of the
 14 total property taxes being collected in the county by all civil
 15 taxing units and school corporations of the county during the
 16 calendar year of the distribution.

17 The department of local government finance shall provide each
 18 county auditor with the amount of property tax replacement
 19 credits that each civil taxing unit and school corporation in the
 20 auditor's county is entitled to receive under this subdivision. The
 21 county auditor shall then certify to each civil taxing unit and
 22 school corporation the amount of property tax replacement credits
 23 the civil taxing unit or school corporation is entitled to receive
 24 under this subdivision during that calendar year. The county
 25 auditor shall also certify these distributions to the county
 26 treasurer. Except as provided in subsection (g), the local property
 27 tax replacement credits shall be treated for all purposes as
 28 property tax levies.

29 (2) The tax revenue may be used to uniformly increase the
 30 homestead credit percentage in the county. The additional
 31 homestead credits shall be treated for all purposes as property tax
 32 levies. The additional homestead credits do not reduce the basis
 33 for determining the state homestead credit under IC 6-1.1-20.9.
 34 The additional homestead credits shall be applied to the net
 35 property taxes due on the homestead after the application of all
 36 other assessed value deductions or property tax deductions and
 37 credits that apply to the amount owed under IC 6-1.1. The
 38 department of local government finance shall determine the
 39 additional homestead credit percentage for a particular year based
 40 on the amount of tax revenue that will be used under this
 41 subdivision to provide additional homestead credits in that year.

42 (3) The tax revenue may be used to provide local property tax

1 replacement credits at a uniform rate for all qualified residential
 2 property (as defined in IC 6-1.1-20.6-4) in the county. The
 3 amount of property tax replacement credits that each civil taxing
 4 unit and school corporation in a county is entitled to receive under
 5 this subdivision during a calendar year equals the product of:

6 (A) the tax revenue attributable to a tax rate under this section
 7 that is dedicated to property tax replacement credits under this
 8 subdivision; multiplied by

9 (B) the following fraction:

10 (i) The numerator of the fraction equals the total property
 11 taxes being collected in the county by the civil taxing unit or
 12 school corporation during the calendar year of the
 13 distribution.

14 (ii) The denominator of the fraction equals the sum of the
 15 total property taxes being collected in the county by all civil
 16 taxing units and school corporations of the county during the
 17 calendar year of the distribution.

18 The department of local government finance shall provide each
 19 county auditor with the amount of property tax replacement
 20 credits that each civil taxing unit and school corporation in the
 21 auditor's county is entitled to receive under this subdivision. The
 22 county auditor shall then certify to each civil taxing unit and
 23 school corporation the amount of property tax replacement credits
 24 the civil taxing unit or school corporation is entitled to receive
 25 under this subdivision during that calendar year. The county
 26 auditor shall also certify these distributions to the county
 27 treasurer. Except as provided in subsection (g), the local property
 28 tax replacement credits shall be treated for all purposes as
 29 property tax levies.

30 (g) The tax rate under this section shall not be considered for
 31 purposes of computing:

32 (1) the maximum income tax rate that may be imposed in a county
 33 under section 8 or 9 of this chapter or any other provision of this
 34 chapter; or

35 (2) the maximum permissible property tax levy under STEP
 36 EIGHT of IC 6-1.1-18.5-3(b).

37 (h) Tax revenue under this section shall be treated as a part of the
 38 receiving civil taxing unit's or school corporation's property tax levy for
 39 that year for purposes of fixing the budget of the civil taxing unit or
 40 school corporation and for determining the distribution of taxes that are
 41 distributed on the basis of property tax levies.

42 (i) The department of local government finance and the department

3 (j) Notwithstanding any other provision, in Lake County the county

5 to take actions concerning the tax rate under this section.
